## Kurume Azalea "SWEETHEART SUPREME"

NEW INTRODUCTION

It is our opinion, as well as many other growers who have seen it in flower, the most beautiful of all the Kurume Azaleas. It is a Salmon Pink in color and buds open up very similar to the Sweetheart Rose and expand to the mature stage, with shell pink coloring. A Seedling of the late A. Pericat.

2 1/4" pots	\$25.00 per 100—\$200.00 per 1000

# ROSES

## NEW VARIETIES

### "BRANDYWINE"

U. S. Patent No. 530

Originated by J. H. Thompson's Sons, Kennett Square, Pa.

A stately New Seedling Rose with a great number of outstanding qualities seldom seen in any new rose.

Long pointed buds of Buff Yellow, showing tinges of Orange in cool weather. Similar in shading to Joanna Hill.

The flower opens slowly and has long keeping qualities. The petals are very firm. Its excellent form and Cream Yellow color as the flower develops contrasts strikingly with the closely set large rich foliage.

The production is equal to or better than Briarcliff.

Price: Started Eye Buds and Grafted Plants, 30 cents each.

Royalty included—in all quantities.

Scions, 15 cents each in all quantities—Royalty included.

### "NUGGETS"

U. S. Patent No. 517

Originated by Jos. H. Hill Co., of Richmond, Indiana

It is a miniature Hybrid Tea. A clear Maize-Yellow corsage rose. Almost a miniature Golden Rapture.

Price: Started Eye Buds and Grafted Plants, 30 cents each.

Royalty included—in all quantities.

### "LUCILE SUPREME"

U. S. Patent No. 485

Originated by Jos. H. Hill Co., of Richmond, Indiana

A sport of Lucile Hill. Its color is Rose Red similar to Hollywood and Premier Supreme, excepting brighter and slightly darker. The flower is large and showy and is ideal as a substitute for Hollywood and Premier Supreme. It is well liked by the Wholesalers and Retailers. A very strong grower and free bloomer and can be cropped for Holiday markets same as Hollywood and Premier Supreme.

Price: Started Eye Buds and Grafted Plants, 30 cents each.

Royalty included—in all quantities.
